

Modern Hydraulic LLC

800 ton DOMINION [Stock Number 2841]

Construction	Tie rod, side housing
Stroke	22-3/4"
Daylight opening	64"
Bed working area	44" x 44"
Distance between housing	44" L-R
Slide	Gib guided
Main ram	28-3/4" diameter
Working height	22-1/2"

Power unit:
(2) pumps, 44 GPM each at 850 RPM.
(1) 100 HP motor

Working pressure 2500 PSI

Estimated speeds:
Rapid advance is by gravity
15.5 IPM press speed
Push-up/return: 400 IPM or 6.5" per second.

Electrics 550 volts, 3 phase, 60 cycle

Approximate overall dimensions:
Base footprint: 6' L-R x 5' F-B
Overall height: 18'3"

Pit may be required

F.C.A, loaded on trucks, Philadelphia, Pa
