

Modern Hydraulic Technology

division of Newark Special Technology, Inc.

220 ton DIEFFENBACHER [Stock Number 3538]

Model	DTK 200A
Stroke	8"
Daylight opening	24"
Bed area	32" L-R x 25" F-B
Return pressure	44 tons

Press Speeds:	
Downward, idle, ca.	10"
Press speed until 50 MP pressure ca.	3.6"
Press speed at 200 MP pressure ca.:	850"
Backward, idle:	12"

Ejector	4.4 tons, 2" stroke
---------	---------------------

Speeds:
3.150" @ 10 MP load, .900" @ 40 MP load

Pump:
15 PS/400/440 V, 60 hz/1.500 RPM

Main drive:
Consists of Oil-Hydraulic-Axil-Pump with built in reverse control, 75 PS/400/440 V, 1.000 RPM, 60 hz.

Approximate dimensions	12' high x 6' L-R x 4'2" F-B
------------------------	------------------------------

Approximate weight	34,100 lbs
--------------------	------------

New 1967
